OBJECTIVE

Aspiring frontend developer and 2nd-year IT student with strong foundations in web technologies and a passion for creating user-friendly, responsive applications. Seeking opportunities to grow through real-world projects and collaborative environments.

EDUCATION

Ajay Kumar Garg Engineering College, Ghaziabad

B. Tech in Information Technology (2023– Present)

- CGPA (1st Year): 8.2

Carmel School, Gorakhpur (2010-2022)

- Class 12th: 89%
- Class 10th: 90%

EXPERIENCE

Frontend Developer – Computer Society of India, AKGEC Chapter (Aug 2024 – Present)

- Contributed to a national-level tech society chapter.
- Helped organize workshops like Render 3.0, solving junior queries.
- Assisted in event management and technical support.

PROJECTS

Worked on many individual minor projects and some major group projects under CSI like:

1.Hola – Social Media Platform

React, Tailwind CSS, JavaScript

- Instagram-like features: user auth, profiles, post uploads, chat
- Worked on frontend in a team

2.Code Arena – Coding Contest Platform

React, Tailwind CSS, JavaScript

- Contest system like HackerRank: multi-language editor, problems, leaderboard
- Frontend handled by me with teammates

SKILLS

- Languages: Java, Python, C
- Web: HTML, CSS, JavaScript, React, Tailwind CSS
- Tools: VS Code, Git

ACHIEVEMENTS

- Currently focused on learning and contributing, no formal achievements yet.
